1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are customers.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

WE CANNOT afford an 80% rate increase in our water. That is completely unfair in this economy. People are taking pay and benefits cuts and the water company should do the same to lower costs.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

No I cannot.
